Underworlder	1	2 pts/turn	Touch	Feign Death	Feign death may be used by the caster to simulate death in himself or others, willing or not. The unwilling will receive a save vs. WILL or be forced into a catatonic state for a period of time designated by the caster. In this state the one feigning death will react exactly as a dead body, i.e. decomposing, not breathing, and not acknowledging pain. If the person in a death-like state, is allowed to stay that way and his/her body is decomposed or destroyed then that person will die upon ending the spell. Also, the spell is such that magic will not detect this persons life.
Underworlder	1	3 pts + 1 pt/rd	Sight	Illusion I	Illusion I is the beginning of a powerful weapon of the UnderWorlder. Although not overly powerful at this stage, the spell can still be handy. The Illusion will not move or make noise and if touched it will be dispelled. However non - moving items such as a bridge where there is no bridge or a pile of gold where there is a pit of spikes is quite feasible. The material component for this spell is a pinch of dust.
Underworlder	1	3 pts	Sight	Stun	Stun is one of the most popular powers of the beginning Underworlder. The opponent(s) must save vs. their CON/2 or be at a -4 to AC, -4 for it to hit. However it affects only 7 levels for a d6 rounds. Also, this power will affect anyone in the casters vision, starting with enemies and going to friends until the 7 levels are used up. However, if the caster casts it while his/her friends are along side or behind, then they will be unaffected.

Description

Sturmbannfuhrer Kyle Richt joined the German military before Hitler came to power but it has always been his life. He was transferred from the regular military to the SS in order to be more involved in special operations. As Hitler gained power he became enrapt of the speeches and propaganda. He sees the Reich as a shining paragon of good and righteousness. The military is the most honorable profession a person could hope to follow. Although he wishes to live a long life he would not hesitate to lay down his life for the Reich and his Fuhrer.
